Lo stabile di proprietà, composto da unità produttiva e uffici, occupa una superficie di complessivi 3500 mq..
Nel reparto produzione sono operative 22 linee di estrusione, un vasto magazzino ed il reparto imballaggio e spedizione.
Gli uffici, distribuiti su due piani, occupano una superficie di circa 300 mq.
Un secondo stabile distaccato, di recente acquisto, della superficie di 2500 mq. è al momento adibito a stoccaggio materiali.

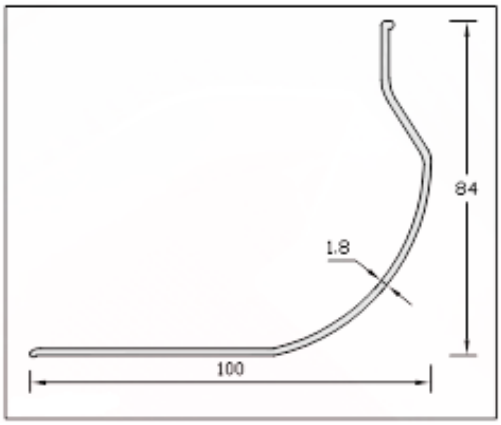

The company, located in the north of Italy, has a building of its own property of 3500 square meters: the production dept. with 22 extrusion lines, a quality control area, the packing and shipping dept, plus a big area for stocking all raw materials.
Modern offices, divided on two floors, are covering a surface of about 300 square meters.
A separate building of 2500 square meters, recently new bought, is up to now used as storage.

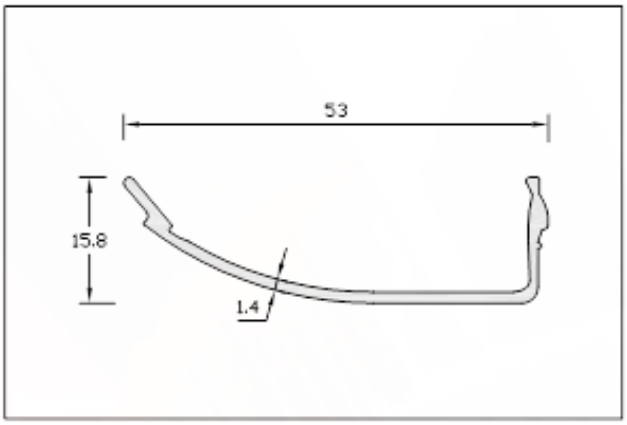

El Galpon donde se encuentra ubicado la empresa es propio, y esta compuesto de una unidad productiva y una administrativa, ocupa un area total de 3500M2.
El reparto de producción estan en capacidad de operar 22 lineas de estrusión, además se cuenta con un amplio almacen y un reparto de embalaje y distrubución del producto terminado. el reparto administrativo esta distribuido en dos pisos de oficinas y ocupan un area de aproximadamente 300M2.
La empresa cuenta además con un segundo galpon adquirido recientemente de un area de 2500M2 que al momento es usado al almacenamiento de materia prima

Das firmeneigene Produktionsgebäude befi ndet sich auf einem 3.500 m² großen Areal in Norditalien und umfaßt 22 Extrusionslinien, Qualitätskontrollbereich, Versandabteilung und ein großes Rohstofflager.
Die Büros sind auf 300 m² und 2 Stockwerke aufgeteilt. Ein weiteres neuerworbenes 2.500 m² großes Gebäude wird momentan noch als Lager genutzt.
