i giardini di Atena

☆☆☆
Residence

You can find convivial hospitality of elegance, amusement and charme, always caring for details. There are a lot of green areas with beautiful flowers which guarantee your comfort, while our qualified staff cares for your health and peace.
All year long you enjoy the typical generous and varied cooking of Salento.
You choose different accomodations such as suites and residence flats built with Lecce stones and fully respecting the surrounding nature, made of green areas and flowers.
There are various accommodations you may choose, such as suites, superior rooms, family rooms, apartments in residence, built with typical local stones and fully respecting the surrounding nature, made of green areas and seasonal flowers.
Rooms are large and bright with all comfort. Furniture is functional but elegant in its design.
You will find a little complete kitchen, air conditioning, satellite TV, hair dryer, mini fridge,…
From the balcony and the veranda you can have a beautiful view onto the garden.
Shapes, colours and perfumes melt together harmoniously.
Our housekeeping staff will satisfy your requests in order to make your holiday as relaxing and pleasurable as possible.
The entertaiment staff's mission is to make your holiday an unforgettable experience.
Various activities are offered to our guest, such as gym, swimming lesson, sport competition and tournaments.
You can find Body and Mind Care in our SPA, where your inner balance will be restored.
Visiting our Beauty Center body and mind will be in perfect harmony again.
If you are fond of sport activities, facilities such as pools, mini soccer field, tennis courts, jogging path, beach volley court and bikes are waiting for you.

And after your training you may relax in the whirlpool.
Between hotel and village "Giardini di Atena" is the ideal setup to get in harmony with this region, so rich in history, art, culture, flavours and traditions.
